

Summer Camp at Monroe Montessori

Summer Camp offers opportunities for children ages 3 through elementary grade 2 to work in a Montessori classroom emphasizing self-directed development, refinement and progress. This program runs from 8:30 a.m. to 3:45 p.m. and offers indoor and outdoor activities. Half day classes from 8:30-11:30 are also available.

Summer Camp is an experience focused on learning through discovery. Taught by two experienced and popular teachers, the summer program encourages choices of curriculum that include Practical Life, Sensorial, Mathematics, Language Arts, Science and Cultural Studies as well as the theme of the session. Elementary age students engage in special classroom projects and assignments during part of the day.

While each morning students work on classroom activities, afternoons are a time to enjoy summer, interact with friends and discover the great outdoors. The teachers have many adventures planned that will keep each day interesting, enjoyable and just the right pace.

The before and after school program provides your child a warm, friendly environment consistent with the Montessori philosophy of respect, consistency and stability. Extended Day is available from 7:30-8:30 am and from 3:45-5:30 pm

Give your child a great summer experience! Sign up today. Registration deadline is May 27th.
