

Summer School at Monroe Montessori

Summer school offers opportunities for children ages 3 through elementary grade 2 to work in a Montessori classroom emphasizing self-directed development, refinement and progress. This program runs from 8:30 a.m. to 3:45 p.m. and offers indoor and outdoor activities. Half day classes from 8:30-11:30 are also available.

Taught by experienced Monroe Montessori staff, the summer program encourages choices of curriculum that include Practical Life, Sensorial, Mathematics, Language Arts, Science and Cultural Studies as well as the theme of the session. Elementary age students engage in special classroom projects during part of the day.

Extended Day is available from 7:30-8:30 am and from 3:45-5:30 pm. The before and after school program provides your child a warm, friendly environment consistent with the Montessori philosophy of respect, consistency and stability. There is a total of 9 sessions available. A minimum of two

weeks is required but the two weeks need not be consecutive. The registration fee for Summer School is \$25. A \$75 commitment fee applied to the first week of class is due by May 15th. Please note there is no summer school starting August 24th to allow our staff time to prepare for the start of the new school year.

Enrollment open to Montessori students. Non Montessori students may apply by visiting the office and meeting with Mr. Washburn. Space is limited.
